WELCOME TO CHURCH LANGTON CHURCH OF ENGLAND PRIMARY SCHOOL

I am delighted to welcome you to Church Langton Church of England Primary School. It is a genuine privilege to lead a school that we believe is something truly special. My team and I are proud to be part of a vibrant, caring community where every child is known, valued, and encouraged to flourish.

At Church Langton, we are committed to providing the highest quality of education within a nurturing environment rooted firmly in Christian values. Our seven core values - Compassion, Endurance, Forgiveness,

Friendship, Thankfulness, Trust, and Wisdom - are not just words on a wall; they shape our culture, guide our decisions, and inspire our children every day.

Our vision is grounded in the wisdom of Proverbs 22:6:

"Teach children how they should live, and they will remember it all their lives."

This powerful message underpins everything we do. We aim to develop well-rounded, confident, and joyful learners by offering a rich and balanced curriculum that stimulates curiosity and creativity, supports emotional and social growth, and encourages physical wellbeing.

Whether your child is taking their very first steps into school life or joining us further along their journey, we look forward to welcoming your family into our community. Church Langton is a place where children thrive, friendships blossom, and lifelong learning begins.

Warm regards,
Mrs Lucy Anderson
Headteacher

BEGINNING OF A LEARNING JOURNEY

At Church Langton, our curriculum, core values, and simple school rules work together to guide children as they grow into curious, kind, confident, and well-rounded individuals.

We strive each day to ensure every child feels excited to learn, experiences a strong sense of belonging, and builds positive relationships with both peers and adults. Our broad and balanced curriculum is enriched by a deep commitment to creativity and the arts. We're especially proud of our unique *Enrichment Programme*, which all children from Year 1 onwards enjoy weekly as part of their timetable.

In Reception, the focus is on nurturing relationships, establishing routines, and learning through practical, play-based activities. As children settle, they begin daily sessions in reading, writing, and number work, alongside physical, social, and communication development to support their overall growth.

In Key Stage 1 (Years 1 & 2) and Key Stage 2 (Years 3–6), children engage in daily English, Maths, and phonics (KS1), as well as retrieval practice to strengthen learning. Throughout the week, they enjoy a rich variety of subjects including Art or Design Technology, Music, Religious Education, PSHE, Geography or History, Science, Computing, and two hours of PE. In Key Stage 2, children also begin learning a modern foreign language.

We look forward to sharing this exciting journey with you and welcoming your child into our vibrant school community.

EXAMPLE OF A SCHOOL DAY

School begins: Gate opens at 8:40am Registration at 8:55am

Lunch: 12.00-1.00pm (Reception Children will start their lunch at 11.45am)

School ends: 3:15pm

While each day brings new learning experiences, we follow a consistent structure to help pupils feel settled and confident in their routine. After registration and the first lesson of the day, children gather in the main hall for collective worship - a valued time for reflection and togetherness.

Learning then continues through the morning until lunchtime. (Further details about our school lunch provision can be found later in the prospectus.)

At lunchtime, we run our Happy Lunchtimes programme, which outlines clear expectations and promotes positive behaviour. Pupils are offered a range of structured activities they can choose to take part in, helping to make break times enjoyable and inclusive.

Following lunch, the afternoon is filled with further learning before children either head home or join our wrap-around care and extra-curricular clubs.

Below is an example of our EYFS weekly timetable, offering a glimpse into the rhythm of life in our Reception class. After National Offer Day, we will be in contact with all our new starters to share the details on our school welcome programme and settling sessions - to ensure your child has a smooth transition into their school journey.

SAFEGUARDING & CHILD PROTECTION

Church Langton C of E Primary School is committed to safeguarding and promoting the welfare of children, and expects all staff and volunteers to share this commitment. The Governing Body has a duty of care to pupils and all members of the school community. All staff and volunteers have regular training in child protection. There is a comprehensive Safeguarding Policy in place which, along with a policy for Health and Safety and a Prevent Strategy, is regularly reviewed by the Governing Body.

Our Safeguarding Policy can be found on the school website and is also available upon request from the school office.

It is important for parents to be aware that:

- Staff and volunteers in the school have a duty to report concerns about a child, whether this means the child may be in need of additional support or help of some kind, or whether it is thought that a child may be at risk.
- In some cases the school is obliged to refer children to children's social care, for children to be assessed for their needs or if an investigation into possible child abuse is required. In many cases there will already have been discussions between school staff and the parents of the child, and the situation and concerns will not be a surprise to the parents. However, parents may not be told that the school has referred their child to children's social care if it is thought that this might put the child at risk.

Designated Safeguarding Lead: Mrs Anderson

Deputy Designated Safeguarding Leads: Mr Bayliss & Miss Fitzpatrick

To report a concern about a child please contact the school office and ask to speak to any of the above people.

SPECIAL EDUCATIONAL NEEDS & DISABILITIES

We have the highest aspirations and expectations for all pupils, including those with special educational needs.

We aim to achieve a community where parents and staff work together in a positive manner with clear and consistent approaches to communication, enabling all children to achieve their potential.

We aim to provide all children, including those with special educational needs and disabilities, with a broad and balanced academic and social curriculum. This needs to be accessible and ensures they are fully included in all aspects of school life and feel equally valued and fully part of the school community.

SCHOOL POLICIES

We publish our policies on our website www.churchlangton.leics.sch.uk > Key Information > Policies and Financial Statement. If you require a paper copy please ask at the school office.

DATA PROTECTION

The school is registered under the Data Protection Act 1984. Any information you supply to the school will be held and used only for the administration of the school and to support the education of your child/children. It may be held on computer databases.

If at any time you would like to verify the information that you have supplied, please contact the school office. We also ask parents to sign a photo consent form when your child starts school and these records are kept on file in the office and in registers.

EQUALITY

We are committed to ensuring equality of opportunity for all pupils, staff, parents and carers irrespective of race, gender, disability, belief, sexual orientation, age or socio-economic background. We aim to develop a culture of inclusion and diversity in which all those connected to the school feel proud of their identity and ability to participate fully in school life.

We tackle discrimination through the positive promotion of equality, by challenging bullying and stereotypes and by creating an environment which champions respect for all. We believe that diversity is a strength which should be respected and celebrated by all those who learn, teach and visit us.

FRIENDS OF CHURCH LANGTON SCHOOL

We are very fortunate and grateful to have such a supportive and active PTA.

Their main objective is to organise fundraising and social events for the school. These events give us the opportunity to engage with pupils and their family members in a fun and informal setting and help to further the relationships between the pupils, staff and parents.

At our school, all parents, carers and staff are automatically members of FoCLS. You can get involved as much or as little as you want, but we hope you and your family get the chance to enjoy some of our events and activities whilst you have a pupil at the school.

They organise regular fundraising and social events throughout the school year, which include discos, an Easter egg hunt, Christmas extravaganza amongst others! We also raise money from other smaller activities such as our pre-loved uniform and refreshment sales.

SCHOOL GOVERNORS

Church Langton CE Primary School considers its Board of Governors as a real strength, helping to guide the school, its Headteacher and its Senior Leadership team towards and beyond the best it can be. In an ever-changing and very challenging educational climate, the school needs to continually evolve to meet and exceed its key targets.

Our Board of Governors includes experienced business people, those with experience in education, HR and IT. Governors with an entrepreneurial background keep the school fresh and innovative, whilst governors with career backgrounds in marketing and communications enable the school to be presented as an exceptional place to work, ensuring we appeal to staff of real quality and potential and recruit and retain the very best. Its Foundation Governors support the founding aims of the school, to ensure they are upheld and remain our focus, while our Parent Governors keep the Board assured, certain and alert to the needs of the most important group within our school community, our pupils.
