AUTUMN 1

OUR LEARNING

THIS IS ME, AUTUMN AND HARVEST

This half term we are going to be getting to know each other, making sure the children are settled in well and are confident in our routines and expectations.

We will be naming and talking about our emotions, belonging and feeling special and safe.

We will also be learning about Autumn, the seasonal changes happening around us and the harvest.

RE

This half term we will be finding out why the word God is so important to Christians.

MATHS

Number:

We will be investigating numbers, starting with one. We will be developing our subitising and counting skills. We will begin to compare numbers within 5, using the language of comparison.

Shape, Space and Measures:

We will be exploring 2D shapes as well as sorting, using positional language and learning the days of the week (beginning to think about time)

PHONICS

This half term we will be starting phonics sessions together. We will be learning the sounds a, i, m, s, t, n, o, p, b, c, g and h. As well as the words a, is, the, l and for.

READING AND WRITING

Reading at home is the most important thing we can ask you to do, we ask for at least 5 times a week, it is important for children to read the same book several times to develop decoding skills, confidence and fluency.

REMINDERS

Please make sure ALL clothing is labelled.

Please DO NOT put drink bottles in bookbags as we have had a lot of book ruined by leaking bottles.

Welcome meeting date and tie will be confirmed shortly.
