## Church Langton Church of England Primary School Newsletter – Updates and Announcements

Dear Parents and Carers,

Once again, Happy New Year. It has been wonderful to welcome you all back to school this week and hear about the many wonderful family experiences and adventures your children had over the Christmas holiday.

Each class will have received the Spring 1 newsletter from class teachers today, this briefly outlines themes and topics for the half term.

Wishing you a wonderful weekend.

Best Wishes

Lucy Anderson

### Smartwatches

A number of pupils have returned to school with new watches, including some smart watches. Please can we politely ask that smart watches (those with camera/internet capabilities/call functions) are not worn at school. Thank you

### Online Safety

We are aware that many of the children have access to the internet. It is our commitment to educate the children at Church Langton about online safety through our ongoing computing and PSHE lessons. Safer Internet Day 2025 will take place on the 11<sup>th</sup> of February, with celebrations and learning based around the theme '**Too good to be true?**' and over the next few weeks we be sharing resources, links and information to support you and your families to keep children safe online.

The UK Safer Internet Centre and the NSPCC have many resources to help support parents and carers.
