

Church Langton CE (Aided) Primary School

Home-School Agreement

At Church Langton (CE) Aided Primary School we place great emphasis on creating a caring Christian climate in which children are nurtured, motivated and have high expectations for themselves and others. We believe that every member of our school community, regardless of gender, race or disability, has the right to achieve their potential in an atmosphere which balances support with challenge. Providing a creative environment for learning which is enjoyable, safe, exciting and well structured is vital to achieving success for all.

This agreement clearly identifies our priorities and commitment to you and your child. Equally it clearly identifies how we can work in partnership to ensure the best for the whole of our school community.
