

# Summer Conference and Celebration Event

*Recognising and celebrating schools  
delivering a high-quality whole education*

*Registration 9:00 // Conference 10:00-17:00 //  
Celebration drinks and keynote 17:30-19:30*

## Why attend?

Our summer conference is a celebration of great practice, designed to help schools learn from each other on how to confidently deliver a high quality 'whole education' in your context. Delegates will choose from a huge range of sessions from schools in the network that are successfully innovating to provide a whole education for all.

Schools will also learn more about how to make the most of our core offer programmes **Leading a Whole Education** for senior leaders and **Lab Classrooms** which helps teachers embed effective two for one teaching strategies like metacognition, oracy and collaborative learning.

*Above all, there will be plenty of time to reflect, share ideas and develop your thinking and practice.*

## What to expect?

- + Inspiring panel and keynote sessions
- + Fourteen innovative primary breakouts
- + Fourteen innovative secondary breakouts
- + Two innovative special schools
- + All around inspiration and innovation

*“An opportunity  
to reflect on the  
opportunities we  
provide children beyond  
just the national  
curriculum”*

# Agenda

*Hear stories of innovative schools in our national network // Share practice // Learn what schools have done as part of the pilot of our 'core offer'*
